_____

WHAT ARE COOKIES?

A cookie is a small file of letters and numbers that we store on your browser or the hard drive of your computer. Cookies contain information that is transferred to your computer's hard drive.

HOW DO WE USE COOKIES?

The Site uses cookies that enable us to offer an enhanced, personalised experience. The information stored in cookies falls into **Strictly Necessary Cookies.**

These cookies are essential in order to enable you to use the Site and its features. Without these cookies, we are unable to provide services that you have asked for such as viewing content.

HOW TO CONTROL COOKIES

You can delete all cookies that are already on your device and prevent them from being placed. If you do this, however, you may have to manually adjust some preferences every time you visit a website and some services and functionalities may not work.

All major browsers allow you to change your cookie settings - for example you can set up your web browser to inform you when you receive a cookie, giving you the chance to decide whether or not to accept it. You can usually find these settings in the 'options' or 'preferences' menu of your browser. To understand these settings, the following links may be helpful, or you
